SUBSCRIPTIONS PAGE

New subscriptions

Subscriptions are available for *World of Crosswords* and *Crossword Magic*, as well as our three new books *All Giant Crosswords*, *All Large Crosswords* and *All Quick Crosswords*. Each of the five magazines are quarterly publications, meaning you now have a total of twenty magazines per year from which to choose. All five magazines are the same size, each comprising 88 pages including front and back covers. Please note that the three new books are available on a subscription-only basis and are not sold in newsagents. The first issues of these new books were published in March 2009. Subscription options, all of which are given on the form below, allow you to choose either an 'Off-the-Shelf' subscription or to 'Mix-and-Match' books to create a subscription to your own liking. Costs start at \$20 for subscriptions of four issues and are based on the number of issues in the subscription. For example, any subscriptions of eight issues cost \$38, twelve issues \$56, right through to the crosswords fanatic's two-year 'Combo' Subscription comprising all

five books - a total of forty books for \$156, working out at only \$3.90 per issue. All prices, which include postage for addresses within Australia, are considerable savings on what you'd pay over the counter. All magazines are delivered 'hot off the presses'! And don't forget that subscriptions make great gifts for friends or relatives.

Existing subscribers

If you are currently a subscriber to one or both titles and would like to receive the new books, you are welcome to transfer your existing subscription to a 'Combo' subscription comprising any or all of the new range of books. Any remaining issues due to you on your existing subscription will be reassigned to the upcoming issues of the selected books as they are released (refer dates of issue on other page). If you wish to do this, you may simply tick the relevant box(es) under the section 'Existing Subscribers' on the form below, and forward it to the address shown. Or if you prefer, you may drop me a line, send an email to greg@puzzlewizard.com.au, or ring me on (07) 3395 4812.

To order a magazine subscription for yourself or as a gift, please complete the form below and mail to:
The Puzzle Wizard, PO Box 398, Morningside Qld 4170.

All prices, which are in Australian dollars, include postage if the recipient is in Australia.

For delivery to a New Zealand address, please add \$2 for each issue in a subscription, for example add \$8 for a 4-issue subscription.

Unless otherwise requested, the first issue of a subscription will be the *next issue to be released after the order is received*.
